

NIGHTWING

DOD SKILLBRIDGE INTERNSHIPS

START YOUR NEXT MISSION WITH US

At Nightwing, we deeply value the unparalleled expertise and dedication that military veterans bring. Across our organization, veterans play pivotal roles in driving innovation, leading teams, and delivering trusted solutions that solve our customers toughest challenges. Your military service has equipped you with skills that align perfectly with the challenges and opportunities we tackle every day.

If you're ready to turn your experience into a mission-driven civilian career, we invite you to join our team of industry leaders and innovators.

This is your next mission. Let's begin it together.

WHO WE ARE

Nightwing is the national security solutions company defining the edge of possible to advance our national security interests. We employ some of the world's most groundbreaking technologies curated to support the complex challenges our customers face. Our promise: to deliver with agility, innovation, and an unfaltering commitment to our customers' missions, enabling them to outmaneuver any threat.

We bring a deep set of credentials spanning more than four decades. Nightwing is proud to partner with government agencies, commercial businesses, and organizations to protect their most critical information, systems, and operations.

SERVICE MEMBERS

Nightwing is actively seeking transitioning military service members to participate in a fellowship to train and work alongside Nightwing teams. During SkillBridge, service members continue to receive their military pay and benefits.

Approval of SkillBridge and Warrior Care is mission-dependent and must be authorized in advance, prior to entering into agreement with industry partners. Each plan is tailored to the candidate's available timeframe and skill set.

Our values align with the mission you know.

Hear what former interns have to say about our program...

"Nightwing's SkillBridge program is highly flexible, and the internship opportunity can be tailored to help you with your career goals within Nightwing. I wouldn't be where I am today without the staff's support and identification of my training needs!"

– Ryan 2023, U.S. Army

"My SkillBridge experience with Nightwing has given me the confidence and knowledge to pursue a career in cybersecurity after I transition from the military. I was encouraged to pursue additional certifications, given excellent mentorship, and learned a great deal about my post-transition military benefits from veterans who recently transitioned themselves. I cannot recommend the Skillbridge program through Nightwing highly enough—it's an incredible experience led by highly knowledgeable professionals who care".

– Monica 2024, U.S. Army

"I could not have hoped for a better SkillBridge sponsor company, provided me exactly what I needed to successfully transition to civilian life."

– Kevin 2023, U.S. Navy

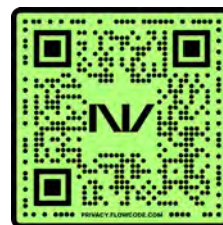

TOOLS FOR A SUCCESSFUL TRANSITION

As part of a tight-knit team that values your resourcefulness and commitment to excellence, you'll do work that has a profound impact on customers across the globe. SkillBridge connects transitioning service members with industry partners to gain valuable civilian experience through specific industry training and internships during the last days of service. Nightwing supports DOD SkillBridge and Warrior Care programs to help you transition to a civilian career and receive critical on-the-job training, networking, and mentorship opportunities.
